## A LITTLE ABOUT ME

I am an ordained assistant pastor and hands-on worship leader who loves helping people know Jesus, worship Him, and grow in His Word. Since 2018, I have served alongside the senior pastor at Calvary Chapel New Harvest—teaching Scripture, caring for families, and equipping ministry leaders. I have overseen worship for more than six years and served as primary worship leader during 2026. Having grown up and ministered in Kentucky, my family and I have felt the Lord leading us back for some time and have been praying about when and where.

## MY HEART FOR MINISTRY

I believe worship is more than music at the start of a service—it is an opportunity for the whole church to turn its attention to the Lord. I would be grateful to serve alongside church leadership, strengthening worship, caring for people, and helping others grow in the work God has given them.
